## MV HUSKYAN BOOKING TERMS AND CONDITIONS

Please read the following carefully before signing the Booking Form. By signing the Booking Form and/or paying your deposit you are agreeing to these Terms and Conditions.

A 45% deposit and a completed booking form are necessary to confirm your booking with MV Huskyan & Number 15. The deposit is non refundable.

Every person making a booking on behalf of a passenger or group of passengers confirms that he/she has the authority of that passenger and that each such passenger agrees to be bound by these Terms and Conditions.

Each person making a booking or included in a booking confirms that they are of sufficient experience to undertake the diving or other activity they have booked and that they are fit, mobile and if required, qualified enough to do so.

No children under the age of 16 may be carried aboard without prior permission.

The balance of the charter price is payable 12 weeks in advance. Any group/person cancelling within 12 weeks of the charter dates will be liable for the balance of their charter costs. Each group/person will remain liable for the whole fee, however, should the balance of your charter not be paid within 2 weeks of the due date we reserve the right to cancel your charter and all monies paid will be forfeit. Please ensure you contact us to finalise all arrangements at this time. Any cancellation must be made in writing and receipt confirmed by Huskyan Ltd to be valid.

Customers have been known, due to unforeseen circumstances, to cancel all or part of their diving holiday. This is not something Huskyan Charters can be held liable for and as such we recommend you take out holiday insurance which should cover your expenses in this eventuality. Therefore the price of your charter will not be refunded.

If owing to circumstances beyond our control, we cannot provide the charter booked or a suitable alternative, we will refund all money paid, in full, and the passenger shall have no further claim against us.

For reasons of safety, Huskyan Charters reserve the right to vary the charter and its associated activities in any way we consider preferable due to adverse weather or any other conditions. Ultimate decisions regarding the safety of the vessel and those on board rest with the master/skipper. The master/skipper will always endeavour to find suitable alternative/sheltered dive/activity sites. In the event that passage or activities are cancelled due to adverse weather or other safety reasons no money will be refunded.

All decisions regarding the safety of any vessel in the employ of, or chartered to Huskyan Charters and the safety or health of those on board including during drop-off and recovery of divers, rest with the master/skipper.

MV Huskyan is fully insured to carry 12 passengers within its area of operation. Our insurance does not cover passengers who are away from the vessel or while engaged in diving activities. It is the legal responsibility of the diver/diving group to satisfy themselves that there is/sufficient surface cover. We do not accept responsibility for loss of, or damage to, passengers gear, property or valuables whilst on board or in transit. With this in mind please ensure you have adequate insurance cover. If our tanks, weights or any other equipment is used by a divers these become the sole responsibility of that diver. The equipment should be thoroughly checked on receipt and before entry into the water. Any accident or injury to any person or persons arising from the use or misuse of our equipment is the sole responsibility of the diver and if damaged or lost must be paid for.

Recreational diving will consist of 2 dives per day (unless otherwise agreed) weather conditions permitting. Further dives can be arranged as a group (charges apply)
